

Eagle Pneumatic M2 Deal Drawer

Eagle Pneumatic's M2 Deal Drawer is easy to use for both the Customer and Teller. The M2 Deal Drawer is designed for counter mounting with a large capacity drawer. The drawer's generous size allows for the transfer of items such as cash, prescriptions and larger products.

M2 Deal Drawer has U.L. Certification and provides both electrical or manual operations. The exterior is constructed of stainless steel for durability. The interior has a painted surface for an improved aesthetic appearance. We offer a weatherproof communication system that will accommodate multiple brands of audio equipment.

The M2 Deal Drawer is an ideal choice for new installation or replacement of an existing drawer. Making our drawer user friendly with remarkable dependability and easy access to all components. Ideal for multiple uses in Banking, Pharmacies, Municipalities, Amusement Parks, Retailers and Restaurants.
